"Students were the most excited and engaged during the JiggiJump Beach Party that I have seen in a very long time... They thoroughly enjoyed every minute. It was ONE OF THE BEST INTERACTIVE PERFORMANCES WE HAVE HAD!" - Principal, St. Simon Stock School, Mississauga

Education Arts Canada's programming is consistently rated among the very highest in the field. EAC surveys hundreds of teachers every year to keep improving our programs. Surveyed teachers rated JiggiJump:

- ★ "Effective and engaging": **100%**
- ★ "A good learning experience": **96%**
- ★ "One of the best our school has had": **88%**

JiggiJump was created in partnership with Ophea (Ontario Physical Health Education Association). It combines music and adventure to get kids moving. As over half a million Ontario kids have discovered, JiggiJump works because it is FUN! In **JiggiJump Beach Party**, a trip to the beach takes many hilarious detours along the way. Students join in the high-energy fun, learning about sun safety, problem solving, and how the imagination can be a powerful friend on a rainy day.
